Q - How does Gildor Inglorion's rule for including Lothlorien Warriors work in Road to Rivendell?

A - You may write your list as multiple warbands as normal (in which case Gildor could naturally lead Lothlorien Warriors in his Warband). If you chose to write Road to Rivendell as 1 Warband (as per the army rules in Armies of Lord of the Rings) then you may include Gildor as a 2nd warband. Gildor may lead Lothlorien Warriors in this warband.

Q - If you include Ori Champion of Erebor in Reclamation of Moria does his Chronicler rule affect Khazad Dum Heroes?

A - Yes - as Ori (and Oin) gain the Khazad Dum keyword and all friendly models have Khazad Dum Keyword it makes sense his Chronicler would affect them

Q - If a model finds the Treasure in Expedition to the East whilst holding an Objective, Heirloom etc. what happens when they are removed from the board?

A - The Objective Marker, Heirloom etc will be placed on the board in the centre of the where the model's base was
